

About us

The Forum für Mittelost- und Südosteuropa was founded in Switzerland at the beginning of 2016. As an independent and non-profit organisation, FOMOSO promotes the opinion-forming about East-Central and Southeast Europe (abbreviated MOSO) in the German-speaking world and in the whole of Europe.

The aim of FOMOSO is to promote knowledge and interests about political processes in East-Central and Southeast Europe. FOMOSO is also a contact point for all people who focus on social and political improvements in the MOSO region.

In this sense, FOMOSO can also be seen as a think tank with the objective of supporting an improved European integration of MOSO in order to maintain a strong and diverse Europe. In general, Europe contains some important fundamental values that are worth engaging with.
